A chic new stunner, this designer three bedroom two bathroom town residence uses height, light and cutting edge style to make a lasting impression. Fabulous with its soaring ceilings, skylights and white accents, this fashionable sensation features a welcoming lounge/study area, a flawless main bedroom suite with custom walk in robe and gorgeous ensuite; two further beautiful bedrooms with fitted soft closing robes, a breathtaking full bathroom and a thoughtfully designed laundry. Steps down create volume of amazing 3.9m approx. ceilings in the awe-inspiring open plan entertaining area with its modern fireplace and sumptuous kitchen featuring 900 mm cooking appliances, a fluted timber under-bench finish and abundant pantry space and hidden cocktail cabinet. Sliding doors open to an oversized composite deck in the landscaped west facing rear garden, which continues the white theme with its painted fence. Whisper quiet inside, this sublime home is complemented with European Oak floors, zoned ducted reverse cycle air conditioning, video intercom, instant hot water, a rainwater tank, a garden shed and an auto garage with exposed aggregate driveway parking. Metres to Tucker Road Bentleigh Primary School, close to Holmesglen Institute of TAFE, the Danny Frawley Centre for Health and Wellbeing at RSEA Park, Double Pour Café and a choice of bus routes, while minutes to the city train and beautiful parks.
