Thought has been given to the privacy and security of the property with secure gated access both at the front entry and also to the double car park and courtyard at the rear which offers peace of mind when you are at home. Your guests will be impressed as they step up onto the polished timber balcony and into your open inviting hallway that runs the length of the house featuring an eye catching floating staircase, a highlight in itself. The gourmet kitchen has an island bench providing plenty of bench and storage space, a larger than usual oven and gas cook tops plus double door stainless steel refrigerator and dishwasher. This space has been cleverly separated from the dining room by a partition wall which features a double sided gas fireplace which provides generous warmth and amazing ambience. Retaining many of its original federation features such as small stained glass windows framing the larger modern windows that have been installed to ensure that the home is filled with light. The bathrooms are all luxuriously fitted out as you would expect in a home of such quality and taste and all three bedrooms are generous in size. The master bedroom has the luxury of an expansive built in robe plus ensuite while the second bedroom has built in robes. Upstairs is the third ensuite bedroom which is a very generous space easily accommodating a queen or king size bed with plenty of room left over to set up a home office or study.
