Yes, this unit is walk to Campbelltown's main street, specialist medical rooms and railway station. It is also located in a very small complex. Lovely two-bedroom apartment on the first floor has a modern, open plan adaptable layout which gives easy access to all rooms. Large balcony, built in robes to both bedrooms, en-suite bathroom to main and internal laundry are just some of the benefits of this property. When combined with a quality finish including stainless steel kitchen appliances, air conditioning, security intercom, frameless shower screens, natural gas cooking and heating plus under-building car-space and storage makes this apartment a must see for the serious purchaser. Why wait – book a look today!!
