Welcome to a prime development opportunity located Urangan. This expansive 1942m² block is perfect for developers, investors, or those looking to build their dream property. This property offers ample space for a variety of development projects (subject to council approvals) including subdivision potential, multi-unit development, or a luxurious single-family home. Currently, the property hosts a home featuring three large bedrooms. This structure could be renovated, expanded, or utilized as a temporary residence during development. A standout feature of this property is the massive garage with internal access. This space provides significant storage or workshop potential. For more information or to arrange a viewing, please contact our office. Don't miss out on this unique chance to secure a highly desirable development site.
