Nestled in a serene, well-established street, this captivating home promises a blend of character and warmth amidst a lush tropical garden oasis. Its design celebrates open plan living, enhanced by polished Beech hardwood floors that seamlessly connect each space, creating an atmosphere of elegant continuity. Comprising four well-appointed bedrooms, including a separate lounge, the home offers ample space for family living and entertaining. The master suite is a retreat unto itself, boasting a majestic entrance, a king-sized room, an expansive walk-in robe, and a resort-style ensuite complete with a walk-in shower and a sunken spa bath. Bedrooms two and three, situated at the home's far end, enjoy shared access to a two-way bathroom and external doors that open onto the surrounding timber deck, integrating indoor and outdoor living. The property's exterior is equally inviting, featuring a tranquil backyard sanctuary where one can relax amid beautiful rainforest-like gardens. These gardens thrive, thanks to a sustainable watering system fed by a 5000-litre rainwater tank and an underground bore, helping maintain lushness and vibrancy throughout the year. The home's is well appointed with stone bench tops, an energy-saving solar system, ducted air conditioning and new ceiling fans. Beyond the home's immediate comforts, it includes practical amenities such as a spacious three-bay shed and workshop with power, catering to hobbies and storage needs alike. Set back from the road, it offers privacy and a sense of seclusion while being just minutes away from the beach, inviting you to embrace a laid-back, seaside lifestyle. This home not only provides a sanctuary of comfort and luxury but also positions you perfectly to enjoy the coastal charm and community spirit of its enviable location.* 4 spacious bedrooms* Spacious master bedroom with large walk in robe and luxury ensuite* Open plan living* Separate lounge* Beech hardwood flooring throughout* High ceilings* Ducted air conditioning & ceiling fans* Energy Saving Solar System* Town water + 5000 litre water tank and bore water* 3 bay shed and workshop with power* Set back from the road in private setting* Minutes walk to the beach*Floorplan upon request.Your new seaside lifestyle awaits.Call our office today to arrange your private inspection of this remarkable home.Ph: (07) 4128 6600Email: rayedward@rayedward.com
