A classic mid-century home with countless classic features. Located in a 'cul de sac' street just off Toorak Road, this beautifully preserved mid-century block greets you with a bunch of character. As you walk down the idyllic and gorgeously landscaped path, you know that this is a unique offering in one of South Yarra's premium spots. Bathed in an enormous amount of natural light the entire apartment lights up as soon as you step inside. Lightly refurbished, the kitchen showcases a perfect blend of original features and fittings. The open-plan living zone is trumped by the generously sized north-facing balcony which captures a dramatic view of the South Yarra's skyline with pockets of greenery framing it. The master bedroom is appointed with space and built in robes, leading into a delightfully light bathroom. The building has security intercom and has been setup for NBN and parking is a case of 'first in best dressed' scenario with permit parking available from council. Mid-week viewings available via private appointment.
