Taking the spotlight in the redeveloped Broadway Theatre cinema complex, this dual-level apartment captures distinct New York-style vibes in the heart of Elwood. Surpassing your typical apartment design, the light-filled interior steals the show with generous living and dining extending onto a timber deck via a tall and wide glass sliding door. The interior also includes a fully appointed kitchen, and an open-tread staircase rising to the loft-style bedroom featuring a sky window, ceiling fan, built-in robes, and an ensuite bathroom with shower-over-the-bath and recess with laundry trough and washing machine taps. Floorboards, basement car space, secure intercom entry and amazingly high ceilings are further highlights. Sure to get a standing ovation from first home buyers, lifestyle lovers, investors and those looking for a bayside pied-à-terre, it's located on the doorstep of Elwood Village's heady mix of restaurants, cafés, food stores and boutiques, and moments from the beach and Elsternwick Park.
