Perfect for a cosmopolitan lifestyle or strategic foothold into the Traralgon rental market, this very neat 2-bedroom tri-level home offers multiple levels of comfort. The lounge room is of nice proportion and has split system air conditioner as well as near new hybrid flooring that has been continued throughout the home. Adding to the functionality is a casual meals area adjacent to the kitchen which has electric cooking facilities, good cupboard space and raked ceiling. Both bedrooms have BIR's and ceiling fans whilst the main bedroom has a balcony which offers a brilliant spot for a lazy, breezy morning coffee. A modern bathroom has a shower over bath and there is also a separate powder room. Step outside to the fully enclosed rear courtyard with ideal space to start a nice vegetable garden or similar project. Car accommodation is well covered with a single lock up garage with remote access plus a parking bay in front of the roller door. Pair this with its central location - a short walk to the shops, train station & supermarket, this is one smart investment. Contact Kerrie Ford 0436 179 179
