Claiming a rare position fronting Coogee's premier Beach Street, this expansive apartment tops with location, lifestyle and laidback luxury. Leading through a house inspired design that flows freely from space to space, the floorplan features an oversized central living area that looks across to the beautiful blue ocean beyond. There is plenty of room to relax peacefully, bask in fresh coastal breezes or entertain guests round the dinner table. A major benefit of the property is also its hard to find three bedroom configuration that caters to the needs of various demographics. Located inside an immaculately maintained building with an onsite swimming pool and lift access, the wonderful appeal of living here doesn't just stop inside. Head downstairs to find Grant Reserve, the children's playground, Wylie's Baths and the scenic coastal walk directly across the road. Stroll down the street where you'll also be greeted by vibrant cafes, cool bars, trendy shops and the glittering surf of Coogee Beach itself. High ceilings and windows all round maximise the openness. Endless natural light illuminates the interiors. Flow to balcony overlooking the park and water beyond. Elegant gourmet kitchen has stone finishes and quality appliances. Three large and airy bedrooms include built-in cabinetry. Master ensuite plus private modern bathroom with rain shower. Internal laundry/storage room and level lift access. Communal swimming pool, generous lock-up garage. Walk-to-everywhere address in the heart of Coogee Beach.
