Privacy, modernity, and the allure of nature interlace in this impeccably refreshed 3-bedroom villa, enveloped by nature yet artfully crafted for indoor-outdoor living in a secluded and serene enclave. Established gardens create idyllic privacy beyond a timeless facade, blending the rich allure of its timber floors with fresh, modern aesthetics through its open living and dining spaces. A tiled kitchen with laminate benchtops is laden with stainless steel appliances, creating the perfect base for everyday gourmet adventures and entertaining to cater for those enjoying the adjacent covered deck, gracefully embracing the rear of the home. The main bedroom features plush new carpets, a walk-in robe, and a fresh ensuite, with two further bedrooms nestled around a central bathroom, separate toilet and laundry. Style meets substance with ducted heating, split-system air conditioning, and a double garage, ensuring every box is ticked in a location wedged between Carrum Downs Secondary and Banyan Fields Primary, metres from buses, Carrum Downs Shopping Centre, parklands and freeway access.
