Discover this hidden gem - a meticulously maintained, 2-bedroom unit nestled within a picturesque complex adorned with manicured gardens and a charming gazebo garden setting. Enjoy the security of controlled gates, a convenient carport, and additional storage space. Inside, a modern kitchen, mirrored robes, and a spacious bathroom/laundry with ample storage await. Stay comfortable year-round with the split system and savor your morning cuppa in a cozy spot. As an added bonus, a golf course graces the end of the street, fulfilling leisure desires. Remarkably, this unit is on the ground floor, enhancing accessibility. Escape the cycle of renting and invest in your own home, all while relishing the luxury of professionally maintained gardens and peace of mind during your vacations. For investors don't miss out on this outstanding opportunity.
