The creative redesign of this inner-city studio pays homage to the past while creating a stylish urban retreat with the pulse of city life at the doorstep. Quietly positioned to the rear of the grand Versailles building, the bright and airy studio's highly functional layout features a separate dine-in kitchen and sleeping nook. High ceilings, polished floorboards, modular joinery and soft curved lines add an artistic feel to a timeless classic. Designed in 1929, this landmark building has undergone meticulous renovation works retaining its glamorous Art Deco aesthetic while offering first-rate security.

**FEATURES:-** Grand Georgian-style security entry and terrazzo foyer- Private rear wing position of an impeccably revived block- Architect redesigned to maximise functionality of space- Polished timber floors, high ceilings- Big windows bring in the northerly light and fresh air- Custom joinery with built-in sleeping alcove and storage- Separate spacious open plan eat-in kitchen with fridge included, breakfast bar, marine ply joinery- Updated bathroom with a bath, original Art Deco basin- Laundry facilities available

**THE AREA:-** Vibrant inner-city spot, cafes, Bars and eateries at your doorstep- Pathway access to Victoria Street's celebrated dining hub- 250m to Kings Cross Station & local supermarkets- Easy 2km trip into the CBD
