Located in an attractive tree lined street, and with a rendered facade, security gates and keypad entry, this until already offers a quality long term tenant and a good yield for the savvy investor (fixed for \$430.00 per week until July 2024). The North facing property is an ideal orientation, and it offers neutral tones throughout, 2 good sized bedrooms (both with built in wardrobes), an upgraded kitchen with a dishwasher, an upgraded bathroom with bath and separate shower, as well as a private balcony. There is the bonus of a separate private laundry, as well as airconditioning in the living areas of the property, and there is an allocated car space at the rear of the group. Ideally situated in the highly regarded Marryatville High School zone, the property is perfectly positioned for walking to Marryatville shops, as well as transport on Kensington Road.
