Tucked away back from the road in a rear battle-axe position, this fresh and bright two-bedroom apartment has been smartly updated throughout and offers a low-maintenance home in a very peaceful location. It makes the ideal property package as it is tastefully presented with a user-friendly layout and great natural light throughout. This quiet position is super private yet close to everything; from here it's easy walking distance to the nearby aquatic centre, with Ashfield's train station, shopping and restaurants all close by. Smartly presented throughout with fresh décor and timber floors. Crisp and bright interiors feature easy-care open living and dining areas. Light-filled windows on three sides and only one common wall. Two bedrooms include a double-sized main with a mirrored built-in. Well-equipped kitchen with Euro-style laundry plus a full bathroom. Oversized lock-up garage with power and plenty of storage space. Set within a boutique and well-maintained brick security building. Walking distance to local parks and Croydon's village scene.
