Proudly Presented by Edward Lim Step into the heart of the Raphael Park Precinct, where this gem of a home at 8/3 Geddes Street awaits! Nestled in an area buzzing with life and energy, this location is an absolute winner. Picture this: Raphael Park a stone's throw away, a vibrant strip brimming with cafes, bars, and shops within walking distance, easy-peasy access to city buses, and mere minutes to Perth's beating heart, Curtin University, and the iconic Optus Stadium. This isn't just a home; it's a lifestyle upgrade! The moment you enter, natural light floods the expansive open-plan living, dining, and kitchen area, designed to be the heart of the home. And oh, that kitchen, imagine a space where style meets functionality, decked out with ample benchtops, cabinets galore, and a sleek tiled splashback. But wait, there's more! A built-in dishwasher sits snugly atop the stove, and guess what? They've ingeniously merged the laundry and kitchen areas for maximum space utilisation. How's that for smart living? As for the bedroom wing, both bedrooms boast plush carpet, generous space, and the master bedroom? It flaunts a colossal built-in robe that's practically a room in itself! The common bathroom has been tastefully renovated from top to bottom while featuring a built-in shower area. It's all about those little luxuries! But it doesn't stop there - the outdoor area is a haven in itself, featuring a delightful decking area overlooking a low-maintenance, leafy garden bed. Summer barbecues, anyone? And the modern comforts? Oh, they've got you covered! A split-system reverse cycle air conditioning unit keeps things cool inside, while the NBN (FTTP, the creme de la creme of internet connections) ensures lightning-fast browsing, perfect for work or play. To sum it up, this fully renovated villa ticks all the boxes: a prime location, smart design maximising space, NBN ready, undercover parking, whisper-quiet surroundings, and top-notch schooling options in the catchment area. Plus, the strata accounts are as healthy as can be, with incredibly low levies.
