Enviably located on the cusp of Chelsea's beach and perched metres from lively cafes, restaurants, and boutiques on the main strip, this modern and highly private two-bedroom apartment presents remarkable value within a contemporary boutique complex. Perfect for investors, market entrants or downsizers looking for a low-maintenance coastal dream, this prime location ensures convenient access to essential amenities, with Chelsea Station less than 100m away for an easy morning commute. Inside, bamboo flooring and high ceilings invite you into a sun-drenched open-plan living and dining room, flowing onto a covered balcony, ideal for quiet relaxation and entertaining. Sleek black stone benchtops, a glass splashback and quality stainless steel electric appliances, including a dishwasher, keep things stylish and practical within the spacious kitchen. Comfortable and spacious, the two bedrooms both boast built-in robes and a light-filled aspect, including the main bedroom with semi-ensuite access to the fully-tiled main bathroom. Embrace the contemporary urban design and quality finishes that fit seamlessly with a vibrant lifestyle, with the comfort of split system heating/cooling, an intercom, and a security entrance. There's also the convenience of a European laundry, excellent storage, and a secure basement car space, making it the perfect place to call home.
