**\$480,000 - \$520,000**

Wonderfully spacious and incredibly convenient, this 2-bedroom unit is perfect for those who value easy-care living and lifestyle ease, mixing its classic layout with an immense outdoor space ideal for first-time buyers, investors, or renovators. A manicured complex hosts an equally impressive residence, flowing over carpeted floors into a well-zoned living and dining design. A laminate kitchen with quality cooking appliances is perfect for the casual entertainer, with sliding doors to the adjacent easy-care yard perfect for settling in for the evening with family and friends. Space persists into its 2-bedroom accommodation, including the main bedroom with a deep walk-through robe giving access to its central bathroom, further highlighting its brilliant functionality. Complete with split system air conditioning, electric heating, a garden shed, and a single lock-up garage, it sits just moments from Belvedere Primary School, Seaford shops, Kananook Creek, the stunning Seaford foreshore, and easy freeway access.
