\$295,000

Units in this Drummond Street complex have always been popular and for very good reason. The overall environment of this attractive complex is an absolute winner and when combined with its perfect location ensures the new owner guaranteed value and enjoyment. Close proximity to the popular Swan Hill North Shopping precinct adds even further credence to the relaxed lifestyle on offer with this two bedroom Unit. Summer or Winter or everything in between - it won't matter so far as temperature control is concerned as this unit has reverse cycle air-conditioning . Both of the bedrooms have built in robes and ceiling fans and the kitchen/meals area is more than serviceable. This Unit is being offered with vacant possession and an early settlement is available should it be required.
