Introducing a stunning townhouse that seamlessly combines contemporary style with family comfort. This versatile home, nestled in a boutique collection, offers an array of desirable features. Step inside to discover high ceilings and concrete slabs, ensuring a solid foundation. The interiors exude a fresh, modern ambiance, adorned with stylish low-maintenance finishes like large tiles and engineered timber floors.- The spacious kitchen is a highlight, featuring stone benchtops with a sleek waterfall edge and a convenient gas cooktop.- Outside, a generous alfresco area and wraparound garden create the perfect space for children's playtime and outdoor gatherings.- The bedrooms are well-proportioned, complete with mirrored built-in robes. Additionally, downstairs you have a 5th bedroom and full bathroom to suit your family's needs.- Freshly painted, this home exudes vibrancy. A downstairs bedroom adds convenience, while amenities are within immediate reach.- Enjoy year-round comfort with ducted air conditioning. The property also boasts a large water tank and offers internal access to the garage, along with an additional car space.- Located in a sought-after area, this townhouse provides easy access to Blacktown Station, Westpoint Shopping Centre, a range of schools, Marsden Business Park, and the motorways. Don't miss the opportunity to make this stylish, low-maintenance townhouse your own.
