Fashionable with flair, this dynamic two bedroom first floor security apartment is hidden away behind the village within a boutique development. Using a north east facing alfresco terrace to flood the vogue living and dining area with natural light, this vibrant abode features a striking marble look kitchen with black glass appliances, two substantial bedrooms with a wealth of mirrored robes (main with compact garden terrace), an uber chic bathroom and a European laundry. Fresh with Oak style floors, this unique apartment is completely private at the rear of the block and appointed with reverse cycle air conditioning, ceiling fans, double blinds, a garden shed, a storage locker and two side by side secure undercover car spaces. You'll love the village lifestyle of café catch ups, classy dinners out, health and wellness services, boutique shopping and city bound trains; plus you're close to Hampton Primary School, Hampton Beach and Castlefield Reserve.
