\$350,000 - \$385,000

Situated in the leafy Cunningham St this recently refurbished and spacious one bedroom apartment offers a lot of value for money. In a smaller complex with two other renovated sales at \$457,000 and \$555,000. Immediately liveable and with ample light streaming through all windows looking across the tree lined street with a northerly aspect. The kitchen opens to the lounge, a generous bathroom with laundry facilities and a great northern aspect bedroom with robes. There's a car space but access to the tram, train and bike trails you'll hardly need one.
