Indulge in the stunning vistas of Hamilton Island's azure waters and experience the pinnacle of tropical luxury at Hidden Cove 8. Surrounded by lush tropical gardens, this exceptional standalone property offers breathtaking ocean panoramas and a sanctuary of peace and privacy. Designed by award-winning architect Phillip Buchanan of Burleigh Design, specialists in syncing with the Queensland environment since 1980, Hidden Cove is a low-impact project integrated into one of the best spots in The Whitsundays. Meticulously finished to showcase extravagant styling and high-quality fixtures, every detail is impressive. This contemporary three-bedroom, two-bathroom townhouse features three spacious bedrooms and access to a magnificent wet edge complex pool. Relax and unwind as you take in the mesmerizing turquoise waters, with numerous islands in the backdrop. The spacious balcony and living area create the perfect ambiance for entertaining or enjoying intimate family moments. Situated in a highly sought-after complex, this rare opportunity is now available for the first time on the market. As the newest development on the island, it boasts exceptional holiday letting occupancy and impressive returns, making it an ideal investment for discerning buyers. In addition to offering a sense of seclusion, this location provides stunning views of the Dent Passage sunset without the intense heat found in other areas of the island.
