A feel-good, spacious townhouse with interesting features of extra high ceilings, plenty of louvers for sea breezes, and tropo-like design elements. Highlighted features include:

- Open plan living and dining with green foliage views plus sliding doors leading out to the first floor covered entertaining veranda.
- Sunny kitchen with stone benchtops, Smeg appliances, breakfast bar and plenty of storage.
- Huge master bedroom on top level with built-in-robies and en-suite bathroom.
- 2 generous sized bedrooms on ground level with built-in-robies and patio doors to fully fenced garden and undercover patio.
- Main bathroom on ground level with separate shower and bath.
- Full laundry room on ground level, additional linen cupboard, plus large lockable storeroom with access from the double carport – great easy access for trades, camping/fishing gear, bikes, etc.
- Cool townhouse with full split-air conditioning throughout, ceiling fans, and louvers well designed for cross flow ventilation.
- Unique in complex as also includes a side gate entrance with additional tropical garden space.

Established, upmarket neighbourhood with a fantastic seawall fitness trail. Close to the Waterfront Precinct with wavepool, restaurants, Convention Center and also CBD's entertainment, restaurants and shopping is only a 5 minute drive.
