Sitting in a highly coveted position, on the tip of the headland with uninterrupted views over Town Beach and North to Point Plomer, this fantastic apartment offers its next owner the perfect coastal lifestyle and in-town location. With a favoured North-Easterly aspect, you'll wake to the sound of the ocean and enjoy your breakfast while watching the ever-changing vista of ocean, beach and breakwall. Set in the Quarterdeck Apartments, natural light pours in through the expansive floor-to-ceiling windows into the apartment, with an open plan lounge and dining looking straight out to the expansive view. The kitchen has been renovated and features ample bench space and storage, whilst the two bedrooms are serviced by a central bathroom that has also been renovated. With the CBD, restaurants, an abundance of coffee shops and shopping centres all within an easy stroll and Town Beach on your doorstep, there isn't anything to fault with this spectacular property. This is a lifestyle opportunity not to be missed, take advantage of getting in on the ground floor by calling Kristian and the team at HEM Property to arrange your personal inspection.
