Located only a short walk from the bustling heart of town and the train station, this enticing 2-bedroom, 1-bathroom first-floor apartment is freshly painted and boasts new carpeting, offering a bright and airy space for both rest and relaxation with a low maintenance lifestyle front and centre. Be welcomed by an open-plan living/meals zone, bathed in natural easterly sunlight streaming through large windows. A newly installed electric upright stove anchors the well-equipped kitchen overlooking the living space with plentiful cabinetry. Through a glass door, your own private balcony awaits. Savour your morning coffee as you soak in the serene ambience and end the day with a glass of wine in hand. When rest is needed, retire to one of the two generously sized bedrooms with robes, each thoughtfully crafted with your comfort in mind with a sparkling bathroom adding to the appeal. Living here means embracing the epitome of convenience – leave your car behind and leisurely stroll into town, exploring its vibrant offerings of shops, cafes, and entertainment. With the train station, schools and parklands all accessible on foot, a world of opportunities becomes your oyster as you effortlessly commute for work or weekend adventures. Also features a communal laundry or European style laundry in the apartment with trough and washing machine taps, single carport at the rear, split system air-conditioning and arlec smart glass panel heater for seasonal comfort.
