Multi levels of light filled style and convenience combine in this stunning Townhouse which is securely positioned in the attractive Manna Rise complex, within minutes of amenities and peaceful parkland. Boasting a tandem garage with internal entry for easy living for a range of buyers and investors. Timber polished floors characterise the open design comprising sun soaked living/dining space with generous work at home study nook. Uniting with a stone topped gourmet kitchen completely fitted with stainless steel Omega appliances including dishwasher, gas cooktop, large pantry and glass splashback. A generously proportioned, under-roofline, north-facing balcony with glass fencing provides the perfect zone to relax, unwind and enjoy an outdoor BBQ or social drinks with friends. Daikin reverse cycle heating/cooling systems are in the main living area and all three bedrooms, fitted with built in mirrored robes; master with its own modern ensuite and the main bathroom with shower/bath. Extra features in the home include; keyless entry, porcelain tiles, quality carpet, separate laundry with storage and outdoor drying area, LED lights, linen press, understairs storage, continuous gas hot water plus water tank and shared visitor parking. The home is ideally placed for Knox Community Gardens, Lewis Park and the Blind Creek Trail leading to all your shopping, dining and entertainment needs at Knox Westfield/Ozone. Close to schools, sports facilities, bike trails, public transport and Eastlink.
