Equinox was built in 2015 and has set a benchmark in luxury apartment living in a beachfront position with major shopping, an array of cafes, restaurants, bowling club and patrolled beach within walking distance. Creative in design is this open plan, light filled three-bedroom apartment. Upon entry your immediate attention is drawn to the panoramic ocean and island views, live your best life here in a location that most can only dream of. The kitchen has clever use of storage with stone bench tops, beautiful glass splash back, soft close cabinetry and quality Bosch stainless appliances. Overlooking the dining and lounge and out to the ocean, preparing meals will be a pleasure. The master bedroom is king sized with an ensuite and all bedrooms have built in robes. Both bathrooms feature stunning glass feature tiles and the main features a free-standing large bath to soak with a glass of wine after a busy day. Other features include ducted air-conditioning, security parking for three vehicles with extra storage bay, security system, key less entry to building/lifts, video intercom and for your guests a BBQ area and tennis court for some fun times! Whether a morning cuppa on the covered balcony watching the whales swim by, a takeaway coffee from the café downstairs and walk on the beach no matter which way you look at it starting each day here watching the sunrise is the ultimate in luxury living...if you have been waiting for the perfect apartment that has an abundance on offer then call Aleta or Whitney today to arrange your private viewing.
