This three-level apartment combines townhouse-style living with a smart design and a warehouse edge. It's a unique find, offering a peaceful retreat set back from the bayside buzz. Enter the ground floor to find a handy study nook, perfect for remote work, alongside a bedroom with built-in robes and a bathroom with a neatly tucked-away European laundry. A floating staircase leads to the living room seamlessly extending to a covered decked balcony. Directly across, the dining room lies beneath impressively high cathedral ceilings and a large sky window that bathes the space in natural light. The adjacent open-plan kitchen is equipped with stone benchtops and includes a full appliance suite for effortless meal preparation. The top floor accommodates the second bedroom, offering built-in wardrobes and access to a second bathroom with a shower-over-the-bath set-up. Split-system air conditioners, panel heating, a car space, and intercom entry ensure comfort, convenience and security. The location sits comfortably within walking distance to the selection of popular dining venues along Fitzroy, Acland, and Barkly Streets, the beach, city trams, and the tranquil surrounds of Albert Park and its lake, placing the best of bayside's exciting lifestyle at your doorstep.
