Proudly fronting a contemporary complex, with the best that Ringwood has to offer right on its doorstep, this incredibly appointed, presented and positioned residence is set to provide a life of modern comfort and convenience. Inside, timber-look flooring, soft carpet and on-point styling highlight its interior expanses, where easy living is executed over two light-filled levels. Flaunting a beautifully formed footprint, the ground floor comprises a spacious living room and a combined kitchen and dining area that boasts stainless steel appliances, stone benches and a seamless sliding stacker door connection to an alfresco deck. One spacious bedroom, a laundry with storage and powder room access, plus handy entry into a remote double garage, complete the ground floor of the residence. Upstairs, there are three more bedrooms. Two of these feature twin double-door built-in wardrobes, while another contains a walk-in wardrobe and a floor-to-ceiling tiled ensuite. A family bathroom, styled similarly to the ensuite but with the bonus of a bathtub, completes the upper level of the residence. Enhanced with the inclusion of a camera doorbell, reverse cycle heating and air conditioning, double glazed windows, an alarm system, generous storage, stone benches to all wet areas and a water tank with a pump, this impeccable townhouse invites buyers to live their best life. It is located within walking distance to bus stops, parks, trails, childcare centres, Eastland, Town Square, Realm, Costco and Ringwood Train Station. Only a few minutes' commute to primary and secondary schools, Ringwood Lake and EastLink.
