Far from your standard entry level or investment, this exceptional 1-bedroom home instantly impresses with its contemporary finishes, generous indoor-outdoor design and brilliant Bayside address. Set to the rear on the ground level of a secure, low-rise group with remote controlled basement parking just steps to local shops and the Brighton bus and minutes to the beach. This Hampton haven faces north with spacious living and dining zones spilling out to an al fresco terrace elevated to catch the sun in an extra-large courtyard that is perfect for entertaining or soaking up some rays with virtually no maintenance required. Inside the light-filled, modern kitchen boasts premium stone benchtops, handy breakfast bar and Blanco appliances including a dishwasher. A second courtyard is accessed from the kitchen, while a concealed study nook provides additional space and flexibility in the living room. Down the long hallway a queen-sized bedroom, featuring built-in robes, sits alongside a super stylish bathroom with a bath and laundry facilities. Other prestige extras include high ceilings, wide-board oak flooring, ample storage, reverse cycle air conditioning, intercom entry, 2 landscaped courtyards and basement parking for 1-car. Live the Bayside lifestyle or simply enjoy long term returns with rental appeal close to Coles, Hampton's vibrant shopping and dining strip, Sandringham village, parkland, popular beaches and public transport. For more information about this brilliant Bayside beginning please contact Michelle Gag t on 0408 897 774 or Halli Moore on 0403 777 661 at Buxton Brighton.
