A contemporary renovation of outstanding class has given this single level villa a vibrant freshness that's completely attuned to the times. The natural beauty of timber floors and the appeal of flawless presentation complement inviting spaces that include a living/dining area of ideal proportions. Sleek benches, subway style tiled splashbacks, stainless steel appliances and soft closing cabinetry define a kitchen zone that confirms the renovation's quality. That same commitment to excellence enhances the bathroom, with a separate bath and shower, surrounded by three bedrooms, each enjoying an attractive outdoor aspect. Landscaped courtyard with a lock-up garage add extra allure to a unit that's adopted a sensational new identity, set right at the rear of a characterful development within easy reach of all Williamstown's shops, cafes, the station and the water.
