An inviting richness of natural light is the focal point for this immaculate three bedroom single-level home; move in ready and ideally set within the peaceful Pavilions Estate. Introduced by its storybook brick facade, the property employs a deceptively airy and flowing floorplan. The spacious lounge is well zoned and features stylish plantation shutters, while a versatile family domain adjoins the sparkling kitchen/meals. Fully-equipped in gas cooking appliances, dishwasher, breakfast bar, double sink and walk-in-pantry. Step outside and discover a sunny entertainer's area as it wraps-around to a pet-friendly backyard with a north-facing aspect. Additionally, carpeted bedrooms comprise BIRs and accompany the contemporary bathroom with corner shower, tiled bath, stone enhanced vanity and separate WC. Further extras include heating/cooling throughout, full-size laundry to outside, alarm, automatic garage with workshop space, plus driveway off-street-parking. Enviably positioned for lifestyle ease, just moments to Centreway shops, prestigious schools, buses and major freeways. Approximately just a five minute drive to Keilor East Leisure Centre, Milleara Mall and tranquil wetland trails.
