This beautifully renovated four bedroom home plus studio offers stylish interiors and contemporary style with scenic treetop vistas. Positioned in a quiet and private beachside cul de sac, walking distance to Mt Martha Primary School, village and stunning South Beach. An expansive light filled home with open lounge and dining room, polished timber floors, and a wood flue heater and soaring vaulted ceilings. Banks of Velux skylights allow warmth to flow through to the gourmet kitchen with sensor-lit soft-close drawers, an integrated dishwasher, twin ovens and an electric cooktop. A bright and separate family room relishes alfresco access to the covered outdoor living zone, with coastal garden surroundings and a built-in bar setting the tone for carefree gatherings with family and friends. A dedicated accommodation wing includes four spacious bedrooms and a designer family bathroom, including the sumptuous main suite with a chic ensuite, extensive built-in robes and a balcony enjoying postcard views. Ceiling fans and ducted heating provide year-round comfort, with enrichments including double glazing, a large laundry, a triple carport and a lower-level guest suite/home office with an ensuite and fitted robes. Relish the move-in ready appeal of this impeccable home set within a private beachside enclave.
