Standing tall and proud is this classic East Warrnambool three bedroom home positioned perfectly to enjoy the lovely views out to the ocean. Elevated on a large corner block, you enjoy the morning coffee or afternoon wine on the front entertaining area with that view! Inside you will find polished timber floors throughout, along with the home being freshly painted inside as well. The lounge room showcases gas heating and the master bedroom with built in robes. The bathroom features a shower over bath along with a separate toilet and laundry. The kitchen offers plenty of cupboards, gas cooking and room for the dining table while enjoying those views. At the back of this big block there is so much shedding to fill. You have plenty of choice - whether its the double carport to the side, single garage behind the double gates also with a large storage area attached and then your own functioning workshop attached to the side. Looking for space for all your tools, then there is plenty here. Located in a quiet street with close proximity to Warrnambool East Primary school, child care facilitates and transport, homes in this area rarely come available.
