Framed by an easy-maintenance front yard, this three-bedroom brick veneer home showcases a wide frontage with a secure vehicle access gate to a covered carport. Additional secure parking/storage is further back in the spacious backyard which adjoins a large covered entertaining alfresco.

Inside, two large sun-filled living spaces provide the perfect separation for families with younger kids. Halogen downlights and hydronic heating are quality touches, while buyers will revel in the opportunity to personalise with painting and new flooring projects throughout. Kids will have abundant space to play in the yard too, even though the home is an easy walk to the expansive parks and play areas at Frederick Wachter Reserve.

The kitchen is illuminated by a large opaque skylight and features LED spotlights. Cabinetry is plentiful and highlighted by a matching set of glass-fronted display units. A large 900mm gas burner cooktop is adorned by a gourmet range hood, while the home chef will appreciate the convenience of a wall-mounted electric oven.

Three bedrooms are larger than standard and offer plenty of built-in robe storage. The master steps up and adds a private ensuite. Both of the home's bathrooms are original in the finish but well maintained, with mosaic feature tiles, mirrored cabinets and ceramic top vanity units.

Ideally marketed for a developer or people with an interest in the renovation, this home enjoys a well-sized block and is within easy walking distance to Parkmore Shopping Centre, parks and walking tracks, Resurrection Primary School and the 828/979 bus routes.

An inspection is a must. Make sure you give yourself the best opportunity to pick up this excellent opportunity by contacting us today.
