A truly lovely home with high ornate ceilings & tastefully decorated, terracotta tiles make for easy maintenance in the living area, formal & informal living, three bedrooms, all with BIR's, large semi en-suite bathroom. Walled and reticulated courtyard gardens. Close to the Big Swamp nature reserve and the beach, and only minutes away from the CBD. The property has been tenanted to the same excellent tenant for 16 years, who would like to continue. In all 16 years the property has presented spotlessly clean and like a display home.
