Set on a private & secure 2,000m² approx allotment this property offers a unique opportunity for those seeking room to move in an affordable price bracket. The timber frame home has been tastefully upgraded in recent years providing you with a comfortable & convenient lifestyle. A central open plan living space allows plenty of room to move comforted by a combustion heater, reverse cycle split system + LED lighting throughout. The upgraded kitchen offers ample bench & cupboard space complete with electric appliances and a breakfast bar. Comprising of 2 large bedrooms both including reverse cycle split systems with the master also offering the convenience of direct access to the freshly renovated bathroom/laundry. Externally the yard offers a well established native garden providing you with plenty of privacy + potential to add further shedding if required on the spacious & secure allotment. RLA 110
