In the most amazing of locations, we have a 1628 sqm block of land, waiting for your new home... and it's already got a very special shed! We're backing on to a waterfall along a stunning section of the Gooralong Brook, at the foot of the Gooralong Conservation Park. It's a wonderful position, and once you come and experience it for yourself, you'll probably want to stay forever. And you can. There's a natural spring onsite, perfectly setting you up for an irrigated garden on this wonderful property. We have a 50sqm shed already in place with a patio out the front and a view as you sit back and relax out here. Even if you're not ready to build a house you can still hang around and potter about on the weekends. The shed has been fully set up with a cottagey kind of theme. It has a kitchen, a bathroom, two air conditioners and it's section into two separate areas. It's not a house and you can't use it as your residence, but you can just be here, and it's all very cosy indeed. It's an amazing place to start your forever. The brilliant Historic townsite of Jarrahdale is stunning and you're within easy reach of cafes, a general store, a winery and more. It's a wonderful place to be. If you want to come and see it for yourself, hit the EMAIL AGENT button, and we'll be in touch to set up a time to show you around!
