If you've been searching for that affordable beachside Long Jetty opportunity, then this is the one that sets you on your pathway to prosperity. Ripe for further renovation, it is located in a highly desirable street which has seen a recent upsurge in property values as many surrounding homes have been transformed to modern showpiece properties. The home occupies a level rear north facing block, and features a rear opening garage leading to a sundrenched courtyard allowing easy options for an extended area to entertain, or securely store a small boat or trailer. All bedrooms are large enough to accommodate queen size beds, main with ensuite, spa bath in second bathroom, two separate living areas for his and hers TV viewing rooms, spacious kitchen, secure entry, rustic timber floors and decorative ornate cornices adding a touch of unexpected classical styling throughout. Only a 15 minute walk to the golf course and beach, less than 10 minutes walk to beautiful Tuggerah Lakes foreshore and walkway/cycleway, and local primary school. One small step to property ownership, one giant leap for potential property wealth with so much to be gained here.
