Cleverly hidden behind manicured gardens is this deceptively spacious home that has a few hidden gems. Namely - it's perfect for those who want to run a home business or need separate teenage accommodation or a man-cave space. Offering a multitude of living spaces, from the formal living area, rumpus room, eat-in dining open plan with kitchen, enclosed rear entertaining/sunroom area, spacious garage converted to studio, plus another free standing studio at the rear. The home offers 4 bedrooms - built-ins in each plus 2-way ensuite connected to two bedrooms plus one room with small kitchenette, additional bathroom with bath/shower, internal laundry with storage. Additional kitchenette and bathroom in studio at rear. Enclosed front and rear yard, single carport, plus off-street parking for more. * Near new solar panels installed * Self-contained studio with bathroom & kitchenette* Landscaped gardens and astroturf at rear* Surprisingly quiet & secluded off the main road
