Ross Whiston proudly offers you this cozy and well designed 2-bedroom home, where comfort meets functionality in a harmonious blend. This residence is perfect for those who appreciate well-organized living spaces and the potential for personal touches. The home features a practical 2-way bathroom, ensuring ease of access and privacy. This thoughtful design is complemented by a separate toilet, adding an extra layer of convenience for both residents and guests. As you explore further, you'll discover two distinct living areas, each offering a unique ambiance. These spaces are ideal for various family activities, from relaxed lounging to lively social gatherings. Comfort is a priority in this home, as evidenced by the ceiling fans in each bedroom, ensuring a comfortable and restful sleep environment. The bedrooms are designed to be personal retreats, promising tranquility and relaxation. A standout feature is the huge enclosed verandah, presenting itself as an additional living area. This versatile space can serve multiple purposes - a sunroom, a hobby area, or even a serene spot for morning coffees or evening relaxation. Outside, a garden shed provides convenient storage for tools and outdoor equipment. The backyard, with its untapped potential, is ready for a green thumb to transform it into a lush garden or a cozy outdoor retreat. Back inside, the lounge room is fitted with both a ceiling fan and a split system air conditioner, offering year-round comfort. Similarly, the family room also features a split system air conditioner, ensuring the entire home remains a haven of comfort regardless of the season. This property is not just a house; it's a canvas for creating a warm and inviting home. Whether you're a first-time buyer, a downsizer, or simply seeking a comfortable and manageable living space, this home offers a blend of simplicity, comfort, and potential that is hard to surpass.
