This property was built in the 1940's positioned on 1,225m<sup>2</sup> block in the sort after area of Cemetery Road Moe. The home has amazing features with 12-foot ceilings, stunning Rossett in the two front room and original floorboards. There are three bedrooms and a main bathroom. The lounge room and separate dining room both maintain original fireplaces with mantels. This property is in need of a lot of work to bring it back to its glory. This property could be something amazing or it is a perfect location to start again. Finding a block this size in this location is something special on its own. Come inspect this old gem today. It will not last long. Contact Christine Luke on 0427 272 451.
