Being the first to own and enjoy a property makes it uniquely, memorably yours. The beauty of knowing each space has known no other family but yours is exciting, enticing and exactly the experience that this impressive new home offers. Precise lines and a pristine profile define the street presence while inside, the style and size of the living/dining area is complemented by timber flooring and sliding glass access to the outdoor backdrop. An open-plan kitchen featuring a central island, stone bench-tops, stainless steel appliances and pleasing pantry storage further enhances the excellence of this design. Refrigerative cooling, alarm system, blinds and low maintenance front and back yard with landscaping. Four inviting bedrooms begin with a main bedroom served by a walk-in robe and a superb fully tiled ensuite where the look and the luxury are irresistible. A family bathroom that's also fully tiled and fitted with exceptional flair accompanies the three additional bedrooms, each offering generous proportions, all incorporating built-in robes. A powder room and a separate laundry add to the attraction of this 'ready and waiting' address in the Brookrise Estate, moments from Central Park Trillium, Craigieburn Village shopping and schools.
