Welcome to 8 Clark Street in Narrogin, where the term "home" takes on a whole new meaning. This residence has undergone many upgrades, resulting in a beautifully renovated Home. Step inside, and you'll discover an updated kitchen and bathroom that have been tastefully modernized, bringing a touch of elegance to your daily life. The bedrooms offer generous proportions, ensuring that comfort is never compromised. Beyond the interiors lies a backyard that gives you a sprawling space, perfect for relaxation and outdoor activities, complete with a convenient garage and a garden shed for all your storage needs. While officially a three-bedroom property, there's an added bonus - an excellent-sized sleep-out that enhances your living options. This home doesn't just stop at aesthetics; it's also designed with sustainability in mind. A 5kw solar system graces the rooftop, not only contributing to a greener planet but also reducing your energy costs. The exterior of the house has been rejuvenated with fresh cladding, giving it a contemporary edge and timeless appeal. Safety and security are paramount here, with electric roller shutters on the windows, a fully fenced yard and lockable gates at the front ensuring your peace of mind. 8 Clark Street isn't merely a house; it's a meticulously upgraded, secure, and sustainable dwelling that embodies the essence of comfortable living in Narrogin.
