An architectural masterpiece created by Bluestar Property Group - one of Melbourne's most recognised developers, this brand new residence is the pinnacle of exclusive, world-class living. Positioned at lucky number 8 on a tree-lined street, be thrilled by the extraordinary convenience of being just around the corner from effervescent Balwyn Village and just metres from the 109 tram to elite private schools. Beyond the spectacular façade that is dominated by soaring glazing with every room drenched in northern light, the interiors are a harmony of abundant natural light, a dark colour palette, towering ceilings, washed oak flooring and swathes of marble. A show-stopping entertainer, host spectacular parties in the vast open-plan dining and family room. With a gas log fire at one end, the state-of-the-art kitchen is a chef's dream, equipped with a Wolf induction cooktop, steam oven and pyrolytic oven as well as a second kitchen with Bosch gas cooking, oven and dishwasher. With an impressive indoor/outdoor transition, spend time with friends under the alfresco's auto-louvered roof or soak up the sunshine in the plunge pool. For more peaceful pursuits, there's a lounge with bar, an upstairs retreat with a two-seat desk and a sophisticated home office with a wet bar and access to the north deck. Boasting five bedrooms and five bathrooms, the master suite is a glamorous oasis that flaunts a parent's retreat, luxe dressing room and a huge dual-vanity ensuite with a free-standing tub. Replete with luxurious appointments throughout, appreciate the integrated speaker system, multi-zone ducted heating/air-conditioning, control 4 Smart Home system, solar power with a Tesla battery, security alarm, CCTV and a three-car auto garage with internal access. Zoned for Camberwell High School and Chatham Primary, walk to Beckett Park, Maranoa Gardens and Fintona Girls' School.
