Smartly renovated throughout and designed to provide a stylish home with quality inclusions and a spacious two-level layout, this great-looking full brick residence has been freshly updated in a way that makes the most of the natural light, space and elevated views over Five Dock Bay. It sits in a prime parkside position that's just a few footsteps through Drummoyne Park to the waterfront, and offers a very convenient home with the emphasis on privacy and accessibility. It's now ready for immediate living and is well-suited to families, upsizers or investors looking for an attractive house in a premier waterside suburb.

- A very versatile two-storey design with living spaces on both levels
- An elevated position with great natural light and views to the water
- Bright modern interiors feature cool and easy-clean timber flooring
- Private rear garden includes lawn and a paved alfresco dining area
- A sleek contemporary kitchen with gas fittings and a breakfast bar
- Three bedrooms, the upstairs master has a walk-in robe and ensuite
- Lock-up garage with storeroom, workshop area and adjoining home office
- Ducted air-conditioning and a wraparound balcony with elevated views
- Walking distance to shops, cafes and city transport along Lyons Road
