A Modern Vista

Now is the time to purchase your own home. This contemporary property built in 2011 is something out of the box. Set down from the road, the property captures a stunning outlook over the River Derwent and beyond. You will never tire of this view - whether you are enjoying it from your open plan living, or outside on your entertaining deck.

The home itself offers three generous size bedrooms, brilliant family bathroom with tub, separate laundry and w/c. The kitchen, lounge and dining are open plan for ultimate convenience and to embrace the panoramic vista.

Outside the fully fenced yard offers lawn to play, room to park and a deck to BBQ. A secure lock up garage provides room for a workshop or storing tools and toys. There is an additional storage room and an abundance of room underneath the property that is sure to come in handy.
