This bright and modern home sits in a quiet cul-de-sac, just a few minutes from the heart of Narooma. Built in 2010, it has all the modern conveniences you would want in a family home. There are three good size bedrooms, all with built-in robes, and the master has an ensuite so there's no having to share the bathroom with kids! The main bathroom has a full-size tub, walk-in shower and a separate toilet. There is also a separate laundry with plenty of handy storage. The extra height ceilings in the main living/kitchen area gives the room a wonderful sense of openness and space, while the wood fire combustion heater keeps the room toasty in the cooler months. North Narooma has the advantage of being walking distance to town in one direction and the Beach in the other. This property is currently tenanted so would make a perfect investment property, family home, or holiday home. Call Steve from LJHooker Narooma to book your inspection today.
