\$750,000

A quality-built family home, close-to-everything, and serious potential to add value – this neat and tidy package ticks all the boxes for those looking to step into sought-after Wyoming! Perfectly set on a totally level block, a single-level floorplan follows a traditional design with the added bonus of high ceilings and seamless indoor/outdoor flow, connecting through to a covered al fresco entertaining zone and large backyard. Fully functional throughout and ready to be enjoyed, those with an eye on the future will love the scope here to update and elevate this suburban treasure. Features:-

Quality-built brick and tile family home occupying a family-friendly location within walking distance of Valley View School (550m) and close proximity to all suburban conveniences.- Light and bright interiors present a neutral colour scheme, high ceilings, and exposed timber beams.- Inviting main living + optional second living/dining zone.- L-shaped timber-tone kitchen flowing out to a fantastic, fully covered al fresco entertaining area and large fenced backyard – the perfect flow for effortless living and entertaining while kids and pets run and play.- Three bedrooms (two with built-in robes).- Classic family bathroom, complete with bathtub.- Air conditioning units in each room.- Single lock-up garage.- Rental estimate: \$550 per week. A prime opportunity to secure a fantastic position with easy access to all the suburban amenities of Wyoming (local schools, shops, cafes, and public transport), Gosford (CBD, waterfront, hospital, and train station), and all the lifestyle benefits of the Central Coast, including a selection of magnificent beaches, bushwalks, and waterways. For those needing to head further afield, the M1 is within easy reach for a quick commute to either Sydney or Newcastle. Make your move fast on this one!
