This beautiful home is the hidden gem of Manoora on a 737m² block. Panoramic mountain views with waterfalls from your covered patio. A job relocation requires an immediate sale of this 3-bedroom beauty. Nothing to do here, just move in. You will love the colorful polished timber floors throughout the home. There was no flooding to the property during the recent rain events. It has a beautifully renovated bathroom and a practical colonial-style kitchen. The home is airconditioned except for 1 of the guest bedrooms. It is fully fenced with an electric sliding gate for ease of entry to your property. There is a great variety of fruit and nut trees in your private backyard and it has a good size shed for all your equipment.
